<b>Cleaning Direction</b>	MAT 11

- Protect from sunlight, Vacuum regularly
- Cleaning**
- Mop up excess spills using a soft brush or sponge
  - Wash fabric face with either plain water, mild soap solution, powder enzyme detergent (Radiant), upholstery shampoo.
  - Only use water based cleaning products
  - Crypton Care can be used (available from Materialised) or diluted bleach (1 part bleach 10 parts water)
  - Do not use solvent based cleaners
  - Ensure all cleaning products are removed completely from fabric as residue tends to mask repellency properties
  - Test a hidden area first
