

divi

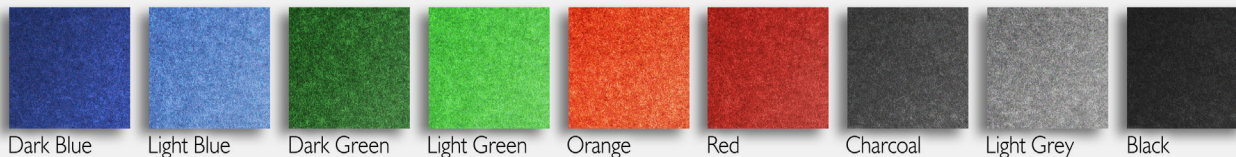

Divi desk dividers are a stunning new take on the traditional privacy screens. These screens simply slide on to the desk, making them perfect for existing office furniture fitouts and retrofitting. Divi dividers are manufactured from an 18mm thick bonded Hush acoustic panel.

Hush is a lightweight and semi-rigid panel with excellent sound absorbing properties. Designed with solid colour throughout, it can be cut to a variety of sizes to suit any screen application.

Custom made for every order, the possibilities are endless. Looking for custom shapes and styles? Please contact us to discuss your requirements.
