

SH Lateral Filing Cabinet

When storing high volumes of suspension filing, you need cabinets that are built tough – but are also designed to reduce workplace risk. SH **Lateral Filing Cabinets** are fitted with ATSS – our special Anti-Tilt Safety System, so you know your staff are safe.

More than just tough and durable – these rigid chassis cabinets are designed to seamlessly integrate with any office fit out.

Features

- 2, 3 & 4 drawer sizes are available
- Heavy duty telescopic ball bearing runner system allow drawers to fully extend outside the cabinet body, providing easy access to files at the back.
- Smooth and positive locking system
- Secure locking system provides peace-of-mind that items stored will be kept safe.
- Full height box draws provide utmost protection and maximise the space available for file storage.
- Safe anti-tilt locking mechanism ensures that only one drawer is accessible at any one time
- Durable oven powder-coat finish with corrosion resistant metal treatment
- Uniformly distributed load capacity of 60Kg per drawer.

Warranty

5 Years.

Lead Time

2 Weeks.
