

# SH Vertical Filing Cabinet

Our **Vertical Filing Cabinet** is made from heavy gauge material featuring cleaner folds and smooth slides.

## Features

- Heavy duty bearing runner system
- Anti-tilt safety system (ATSS)
- Nylon drawer buffers eliminates catch points
- Full box drawers are mounted on premium quality heavy duty telescopic runner arms which allow the drawer to full extend outside the cabinet body, providing easy access to all files and maximising the space available for file storage
- Recessed drawer front with top mounted metal handle and indexing channel
  - \* Positive locking system
- Series 2000 locking mechanism provides peace-of-mind that items stored will be kept safe
- Anti-tilt locking mechanism improves workplace safety by ensuring that only one drawer is accessible at any one time
  - \* Durable oven baked powder-coat finish

## Options

- 2, 3 & 4 draw sizes are available
- Extended colour collection is available for this product although may increase lead time
